

**MERRY CHRISTMAS
&
HAPPY NEW YEAR
TO ALL OF OUR SPUR OF THE MOMENT RANCH FRIENDS**

I hope that this holiday season finds all of you happy, healthy, and able to enjoy the season with the family and friends that make your lives complete. It is going to be a quiet Christmas here at the ranch.

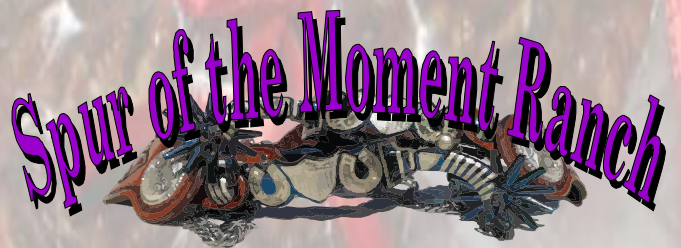

You will all be happy to know that we are planning on working on our house in progress over the holiday, and having a quiet Christmas Eve dinner – that is right – Ann is cooking. Now I know the visual that is dancing through your heads at this point – Ann burning turkey pot pies in the oven. You folks, just need to cut me a little more slack than that, I can actually cook, I am pretty good at it, I just don't always CHOOSE to do it.

This year is the first year our Christmas letter will be online. Thanks to all of you, our data base has grown and in the economic climate we've all been dealing with online is the most cost effective way to do it. Times do change, and I am still kicking and screaming my way into the 21st century. It is early in the century; I have few more years in which to make the transition. So if you know of someone who enjoys the ranch, and is also kicking and screaming and denying the existence of the computer, please download and print them a copy.

Every year our Christmas Gift to our ranch friends is a coupon to come and enjoy the ranch during the winter months at a significant cost savings to you. Again, we would like to make that offer to anyone whether you are a first timer; or a loyal guest of Spur of the Moment Ranch. You need only to print it off and bring it with you on your visit. We look forward to having you at the ranch, and taking the opportunity to enjoy the many winter activities the Northwood's has to offer – snowmobiling, cross country skiing, snowshoeing, or ice fishing. For those of you who just need to relax and kick back, bring a good book, movie, schedule a massage, or just turn on the fireplace and watch it snow. See you soon! Merry Christmas and Happy New Year!
